

Camp Courage

2009 Volunteer Nurse Opportunities

NEW

Do you find your self missing your days at good old Camp Courage? Consider this as your invitation to join us once again! During the summer of 2009 we are kicking off a brand new volunteer program for staff alumni who are also nurses. We are looking for a team of volunteer nurses to assist with intake days. Your responsibilities will include assisting with the health screening and checking in medications for registered campers. We would love to have you join us!

Time Commitment: Each intake day will start for nurses at 10:00 AM with Brunch and a health center update for all volunteers. Intake starts at 1:00 and will wrap up around 6:00 PM

How to Sign Up: Fill out the attached information update and indicate which intake days you are available and interested in. **A copy of your current nursing license will be needed as well. You can either send it in ahead of time or bring it with when you volunteer.**

For More Information: Contact Maria Schugel at 320-963-4115 or maria.schugel@couragecenter.org
