Courage Center – Intensive Therapy Model

TheraSuit Method®

Funding Process

First Step is to get physician order for a Physical Therapy Evaluation.

We will do the evaluation (This will be billed to insurance company)
The evaluation will determine if program is a fit for your child's needs.

Next step is to determine how to fund program.

The Three-Week Intensive Therapy Program (3 weeks of 3 hours a day, 5 times a week) can be billed to an insurance company.

We encourage families to get prior approval before starting the program if they choose to go through insurance or medical assistance.

- A) We will provide CPT codes that would be billed.
- B) We will provide background information on program to justify the charges.
- C) We will provide documentation from evaluation.

Other potential funding opportunities:

- Check with your county social worker to use consumer grant money.
- Apply for community scholarships through local organizations.

Last option would be to private pay for services.

\$5,000

\$1,000 deposit needed at time of registration to hold your scheduled spot.

Remaining \$4,000 is due upon start of program

Payment Method

Checks, money order or credit card

Checks should be made payable to **Courage Center**.

Full payment is due upon start of program.
