

COURAGE
CENTER

Courage Center – Intensive Therapy Model

TheraSuit Method®

Admissions Process

Schedule treatment session: 952-953-5370

If you are interested in attending the intensive therapy exercise program at our facility, you must follow the application process listed below:

1. Completely fill out and submit to us the Member Health Information Form. Please be as thorough as possible so that we have a better understanding of your child's needs. This form can be mailed to you upon request or you can get it from the Intensive Therapy page on our website: www.couragecenter.org
2. Upon approval for our program, you will need to submit a written report regarding recent hip x-rays (within the last 6 months), specifically an A/P view of your child's hips to rule out hip subluxation or dislocation.
3. Once we have received the above documentation, our office will contact you to schedule a time for your child to attend our center for an evaluation.
4. After your child has been scheduled to attend, we will send you a package with information regarding hotels/accommodations, shopping, movie theaters, restaurants, things to do in the area and a map to help assist you with your needs during your visit. If you are within driving distance of our center, this package will not be mailed to you.
5. After the evaluation is performed, the therapist will determine if Intensive Therapy is appropriate for your child. If it is, the therapist will partner with you to set goals and schedule your three-week session.
