

Corporate Matching Gifts

A smart way to maximize your donation dollars

Many employers sponsor matching gift programs that will match charitable contributions made by their employees. Some even match gifts made by retirees and/or spouses. These programs are a great way for companies to support Courage Center and a chance for you to double or even triple your gift!

For your convenience, following is a partial list of companies (both Minnesota-based and national) that have Employee Matching Gift Programs. Please review the following list and check with your company's human resources or payroll department to see whether it offers a charitable matching gift program.

If your organization offers a matching gift program, please take a moment to obtain a matching gift form from your Human Resources or Personnel Office and follow the directions on the form. Mail the form to Cars for Courage so that we can verify your gift and submit it for matching dollars.

Please mail matching gift forms to:
Courage Center, Cars for Courage
